

Job title:	Compliance Engineer
Department:	Engineering - Homologation
Reports to:	Technical Manager Homologation
Responsible for:	CE/UKCA Certification
Location:	Dennis Eagle Ltd, Warwick, United Kingdom
Hours of Work:	37 Hours
Closing date:	

Our values:

We are part of the Terberg Environmental Group that has roots going back to 1869, part of the larger Terberg Group that is still family owned. With family values at our core, we operate honestly and with integrity. We aim to represent our core values in all areas of our work. Our core values are Customer Focus, Entrepreneurial Spirit, Flexibility, Innovation, Integrity, Quality and Sustainability.

Job Purpose:

We are currently seeking to recruit a Compliance Engineer to join our Homologation team based at our manufacturing facility in Warwick, United Kingdom. The role of the Compliance Engineer will be to approve company products for both national and international markets, working with Internal departments, and external partners to obtain compliance.

Main Duties and Responsibilities:

In this role, you will be responsible for managing the certification process for vehicles systems manufactured by the company, ensuring all our vehicles comply with the latest regulatory, legislative, automotive standards, whilst creating, updating, and maintaining compliance documentation. This position will require continuous support to the business regarding the monitoring of current and future developments in automotive compliance standards, with the ascertainment and interpretation of the legislative requirements, whilst liaising with internal departments to inform of the impact upon products due to legislative and/or specification changes, and non-conformities.

Accountabilities & Commitments Required:

We are seeking a proactive team player, who is diligent in their approach to work, and can communicate to all levels of the business in a clear, and concise manner.

Quality & Environmental Responsibilities:

Responsible for the management, compliance and upkeep of the quality & environmental procedures, records, and documents relevant to the role.

At Dennis Eagle we are proud to be an equal opportunities employer and a disability confident organisation. We are committed to fostering an inclusive workplace where diversity is celebrated. As part of our dedication to creating a supportive environment, we guarantee to interview all disabled applicants who meet the minimum criteria for the vacancy. We invite you to engage in an open conversation with us about how we can best support you and ensure that your unique skills and talents are recognised and valued. Your success is integral to our collective growth, and we look forward to working together to create a workplace that empowers everyone to thrive.

If you have any queries or would like to apply for the role, please contact the Recruitment team recruitment@dennis-eagle.co.uk
